PROFESSIONAL EXPERIENCE:

- 2021-Present **Interim Dean of the Graduate School and International Education.** Chief academic officer of the graduate school and senior international officer. University of Arkansas, Fayetteville, AR.
- 2015-2021 **Associate Dean for International Education,** the Graduate School and International Education, University of Arkansas, Fayetteville, AR. Campus
- 2014-2015 **Interim Dean,** the Honors College, University of Arkansas, Fayetteville AR.
- 2014-Present **University Professor** (distinguished appointed title), Department of Horticulture; Dale Bumpers College of Agricultural, Food and Life Sciences, University of Arkansas, Fayetteville, AR.
- 2011-2015 **Director,** College Honors Program, Dale Bumpers College of Agricultural, Food and Life Sciences
- 2005-2014 **Professor,** Department of Horticulture; Dale Bumpers College of Agricultural, Food and Life Sciences, University of Arkansas, Fayetteville, AR.
- 1989-2005 **Associate Professor,** Pomology, Department of Horticulture; Dale Bumpers College of Agricultural, Food and Life Sciences, University of Arkansas, Fayetteville, AR.
- 1984-1989 **Assistant Professor/Assistant Horticulturist-Pomology,** Department of Horticulture and Landscape Architecture, Washington State University, Pullman, WA. Appointment: Research .50 FTE, Instruction .50 FTE
- 1980-81, 1983-1984 **Graduate Research Associate,** Department of Horticulture, The Ohio Agricultural Research and Development Center, The Ohio State University, Columbus, OH.
- 1982 **Instructor,** Department of Horticulture, The Ohio State University, Columbus, OH.

EDUCATIONAL EXPERIENCE

<u>Degree</u>	<u>Year</u>	<u>Institution</u>
Ph.D.	1984	The Ohio State University
M.S. Horticulture	1982	The Ohio State University
B.S. Horticulture	1980	University of Arkansas, Fayetteville, AR.

SIGNIFICANT LEADERSHIP TRAINING AND DEVELOPMENT PROGRAMS

2017-2018 Association of International Education Administrators – Presidential Fellowship
2013-2015 National Food Systems Leadership Institute of the APLU/Kellogg Foundation
1993-1994 USDA ECOP/ACOP – Leadership Development Program Fellow

SIGNIFICANT AWARDS AND RECOGNITION

- Experiment Station Directors Section Excellence in Multistate Research Award. The NC-140 Project, *Improving economic and environmental sustainability in tree fruit production through changes in rootstock use*. USDA. 2016
- Outstanding Outreach/Extension Publication, “Success in the Field: Impacts and Achievements of Phase II of the National Strawberry Sustainability Initiative”, American Society for Horticultural Sciences, 2016.
- Blue Ribbon for Outstanding Outreach Publication, “Success in the Field: Impacts and Achievements of Phase II of the National Strawberry Sustainability Initiative”, American Society for Horticultural Sciences Southern Region, 2016.
- Blue Ribbon for Outstanding Outreach Publication, “Moving the Needle: Achievement of the National Strawberry Sustainability Initiative,” American Society for Horticultural Sciences Southern Region, 2015.
- Honors College Distinguished Leadership Award, 2015.
- University Professor, Department of Horticulture, University of Arkansas, Fayetteville. 2014
- Outstanding Faculty Member, University of Arkansas Associated Student Government, 2013
- Fellow, American Society for Horticultural Science, 2012
- Gold Medal Faculty Mentor, University Office of Nationally Competitive Awards, 2012
- Outstanding Faculty Mentor Award, University Office of Nationally Competitive Awards for mentoring students; 2012, 2013, 2014, 2015, 2016.
- John and Lois Imhoff Award for Outstanding Instruction and Student Mentorship recognition award, runner-up recognition, University of Arkansas, 2009, 2010.
- Fulbright Fellow, Senior Lecturer, 2008; Fulbright Foundation and the Council for the International Exchange of Scholars; US-Italy Fulbright Commission.
 - Visiting Adjunct Faculty, Lecturer the Agripolis, University of Padova; Padova, Italy
- Shepherd Award for Outstanding Publication, *Journal of the American Pomological Society*, 2006
- Shepherd Award for Outstanding Publication, *Journal of the American Pomological Society*, 2005.
- Certificate of Merit, USDA Higher Education Outstanding Educator, 2005, 2010.
- Outstanding Educator Career Award, American Society for Horticultural Science, 2003.
- Honor Award of Excellence in Group Research, USDA, for Contributions to the NE-183 National Project, Multidisciplinary Research of Apple Cultivars, 2003.
- Andrew Lucas Alumni Service Award, University of Arkansas Alumni Association, 2002.
- Distinguished Service Citation Award, American Pomological Society. 2002.
- L.M. Ware Distinguished Career Teaching Award, Southern Region American Society for Horticultural Science, 2001.
- John White Outstanding Teacher Award, Dale Bumpers College of Agricultural Food and Life

Sciences, University of Arkansas, 2001.

- Teaching Award of Merit, National Association of Colleges, and Teachers of Agriculture, 2001.
- Teaching Award of Merit, Gamma Sigma Delta, Agriculture Honorary, University of Arkansas, 1996.
- Award of Teaching Excellence, Teaching Academy, University of Arkansas, 1996.
- Service Award, Arkansas State Horticultural Society, 1993.
- Recognition Award, Arkansas State Horticultural Society, 1992.
- Outstanding Teacher, Department of Horticulture and Landscape Architecture, Washington State University, 1988.
- OECD Research Fellowship, East Malling Research Station, England. 1986.
- International Agriculture Center Fellow, Wageningen, Netherlands, 1986.
- Graduate Alumni Research Award, The Ohio State University for outstanding dissertation research. 1985.
- U.P. Hedrick Award, American Pomological Society, 1984.
- Vaile-Watts Award for Outstanding Senior in Horticulture, Univ. of Arkansas. 1980.

GRADUATE EDUCATION EXPERIENCE

Completed Degrees: Master's of Science: 16 students; Doctor of Philosophy: 5 students.

Served on Advising Committees: Master of Science: 32 students; Doctor of Philosophy: 23 students.

TEACHING AND ADVISING EXPERIENCE

- Most recent classes taught: *GRSD4101 Pathway to Graduate School* (2022, 2023); HNRS Signature series *HNRS4103 Food Matters* (2021); *HORT1103 Plants and People* (selected lectures, 2015-2023).
 - Classes Taught: 1984-1989 (WSU); 4 courses, 23 classes and laboratories;
1989 - 2014 (UA): 22 courses, >168 classes and laboratories
- Average Undergraduate Student Advising, last 5 years as faculty (2010-2015): 18.2/year.
- Honors Program Director, Mentor, Instructor: Serve as Honors Program Director, have mentored several honors students and participated on several Honors student committees, and have instructed two cross-disciplinary courses Bumpers College Honors Program; Honors Committee Member, Chair
- Global Studies Minor Degree Program in Agricultural, Food and Life Sciences Instructor (2006/2007); AFLS Global Studies Program Committee (2007-2010, chair).
- Environmental Dynamics Graduate Program - Faculty (2005-present)
- Sustainability Degree Program Instructor and Committee; co-instructor in an interdisciplinary course on *Applications of Sustainability*; participate on Sustainability faculty curriculum and program committee (2009-present)
- Advisor, GroGreen (2005-Present). The Student Organic Farm Cooperative; a Registered Student Organization of the UA for learning and practicing sustainable and organic crop production. Member of Fayetteville Farmers= Market. Have received \$4500 in grants from the Associated Student Government to develop facilities and programs of the organization. Recognized by the UA Registered Student Organization Office of the Division of Student Affairs as the best campus service organization and project - the Campus Community Garden.
- Advisor, Horticulture Club (1991-1994; 1997-2002). Received award for *Best Horticulture Club* in the Southern Region; received award for *Best Horticulture Club* in the US (twice), by the American Society for Horticultural Science; recognized as the outstanding Registered Student

Organization of the University of Arkansas. Produced plants and managed plant sale (revenues for operations and scholarships exceeded \$50,000), and garden show/plant clinic. Recognized by the Registered Students Organization as *Best Student Organization* on the UA Campus.

- Horticulture Department Internship Program Coordinator: 1996-Present; oversee approximately 10 student internships per year.
- Study-Tour Leader: Agriculture Study Tours to Washington/Oregon (1998); Pennsylvania/New Jersey/Maryland (1999); Missouri (2000); Scotland/England (2002); Italy (2007), China (2010). Leading Bumpers and Engineering Colleges study intercession course in Gent, Belgium (2015, 2016).

SIGNIFICANT INTERNATIONAL EXPERIENCES and ACTIVITIES

- Campus Liaison, Fulbright Scholars 2015-present, Department of State, Bureau of Educational and Cultural Affairs. Institutional representative to the Fulbright Association
- Consulting reviewer and consultant, Fulbright-Italy, Commission, 2009-present
- Supervising associate dean for the UA Rome Center, 2015-2022
- 2015, 2016. UA Faculty-led study experience/class, "Sustainability in the Eurozone Agro-Food Chain," Gent University, Gent Belgium.
- 2010. USDA-ISE Project: Protected Agriculture in the Southern US and Southern China. Co-led an academic study-tour and course for 12 students from three universities for one month in China, 2010.
- 2009. Graduate Program and Fruit Crops Research Program Review, University of Chihuahua, Chihuahua, Mexico. Visiting faculty member. Graduate Symposium Keynote Address; *Fruit Research and Production in North America: A 25-year perspective*, College of Agriculture Graduate Program.
- 2008. National Organic Fruit Congress, Chihuahua, Mexico. Keynote/Featured Speaker (2 presentations); Seminar presentation at University of Chihuahua, Department of Horticulture and Crop Sciences.
- 2008. Fulbright Senior Fellow, Lecturer, the Agripolis, University of Padova, Padova, Italy. Taught two classes - Sustainable and Organic Agriculture (Sr/Grad level), and Fruit and Vegetable Quality (in the interdisciplinary Gastronomy program, Sophomore/Junior level).
- 2007. Agriculture, Food and Life Sciences in Italy. A study-tour course for honors students. A three-week course for 15 honors students from the UA to Italy. Director, Coordinator.
- 2002. Apple Industry and Research Review. Western Australia Department of Agriculture. Perth, Australia. Presented grower lectures on high density orchard systems. Gave one presentation to WADOA staff on status of and developments in the US Apple Industry.
- 2002. Horticulture in the United Kingdom; three-week study tour from the UA to Scotland and England.
- 2002. Attended International Horticultural Congress, Toronto, Canada.
- 2000. Apple Industry and Research Review, Shaan Xi Province Department of Agriculture, Shaan Xi Institute of Fruit Science, Shaan Xi Normal University, Xian, China. Presented 3 grower workshops on Technology of Apple Production in the US, and 1 professional staff presentation on Fruit Research Priorities in the US.
- 1990. Attended International Horticultural Congress, Florence, Italy
- 1990 (1 month). Study leave to study fruit production in France; Ministry of Agriculture research stations, commercial nurseries, and commercial fruit production (apples, peaches, grapes).
- 1989. WSU-USAID team on Jordan Highland Project develop equipment list and research facilities need list for tree fruit research, demonstration, and education.

- 1986-1992. Editor on international newsletter for International Society for Horticultural Science working group on Temperate Zone Fruits for the Tropics and Subtropics; readership approximately 410 in over 70 countries.
- 1990-1992. Board of advisors for the International Society for Horticultural Sciences working group on Temperate Zone Fruits for the Tropics and Subtropics. Served as Working Group Secretary
- 1988. Thailand. Invited speaker and consultant to International Society for Horticultural Science Symposium on Temperate Zone Fruits for Tropics and Subtropics, USAID mission for alternate crops in the northern highlands. Mission Project team.
- 1986. Venezuela; attended International Society for Horticultural Sciences Symposium on Temperate Zone Fruits for the Tropics and Subtropics, 1986. Mission project team.
- 1986-89. Participant in Agroforestry Consortium, Washington State University, specialty in fruit crops for tropics and subtropics, fruit crops for agroforestry, tree physiology.
- 1989. Participant and Presenter in International Symposium, "Planning for Agroforestry", Washington State University, 1989.
- 1986. Attended International Horticultural Congress, Davis, CA.
- 1986. East Malling Fruit Research Station, England; OECD Fellowship to study environmental physiology, gas exchange and orchard production
- 1986. Goes/Wilhelminandorp Fruit Research Station, Zeeland, The Netherlands; Fellowship, International Agricultural Research Center, Wageningen, Netherlands. Studied rootstocks, cultivars and orchard production science and technology.
- 1983. Sonora State, Saltillo, Mexico; Study tour of highland fruit production in subtropical regions.
- 1977. Republic of South Africa; visited fruit production and research, Cape Province, 1977. International Wilderness Leadership School Fellowship, Johannesburg, South Africa

Honor Societies

The Teaching Academy, University of Arkansas - Fellow (1996); President (2004-2006).

Gamma Sigma Delta (since 1980)

Served as Chapter Treasurer (1995), Vice President (1996), Interim-President (1997), President (1998)

Alpha Zeta (since 1995)

Sigma Xi (since 1985); Served as Chapter Secretary (1988), Vice President and President-elect (1989)

SCHOLARSHIP: PUBLICATIONS and PRESENTATIONS

Summary

Book Chapters: 11
Refereed Journal Publications: 89
Reviewed and/or Edited Technical Papers: 72
Published Abstracts and Professional Presentations: 197
Nonreviewed Conference Papers, Published Presentations, Proceedings, Technical publications: 63
Extension Bulletins: 4
Proprietary Reports: 33
Encyclopedia entries: 2
Articles for Commodity Magazines and Grower Newsletters: 35
Invited presentations to trade or industry groups, organizations, or academic programs not resulting in a publication: 231

Grant Funding to Support Program Activities

Since 2005: 27 grants totaling >\$5.25m.

SCHOLARSHIP: PUBLICATIONS and PRESENTATIONS

Book and Handbook Chapters (11)

- Rom, C.R. 2008. Crop Load Management in Tree Fruits: A Perspective. In, Miller, S. (Ed.) Regulation of growth and cropping on fruit trees. International Fruit Tree Association in conjunction with the Good Fruit Grower Press (in digital publication).
- Rom, C.R., T. Buford, I.A. Merwin, and T. Swensen. 2005. Sixty Great Apples. In, B. Hanson (ed). The Best Apples to Buy and Grow. Brooklyn Botanic Garden All-Region Guide. Pages 29-87.
- Rom, C.R. 2003. Rootstocks. In. Baugher, T, and S. Singha (eds), Concise Encyclopedia of Temperature Tree Fruits. Haworth Press. Pages 287-295.
- Rom, C.R. 2003. Dormancy and Acclimation. In. Baugher, T, and S. Singha (eds), Concise Encyclopedia of Temperature Tree Fruits. Haworth Press. Pages 57-65.
- Rom, C.R. 1996. Coordination of Root and Shoot Growth: Roots and Rootstocks. In; Maib, K., P.K. Andrews, G.A. Lang, K. Mullinix, Tree Fruit Physiology: Growth and development. Good Fruit Grower Press, Yakima, WA. Pages 53-67.
- Rom, C.R. 1996. Environmental Factors Regulating Growth: Light, Temperature, Water, Nutrition. In; Maib, K., P.K. Andrews, G.A. Lang, K. Mullinix, Tree Fruit Physiology: Growth and development. Good Fruit Grower Press, Yakima, WA. Pages 11-29.

Invited Presentations to National and International Scientific Meetings

(Summary: 12 presentations)

- Rom, C.R. 2010. Alternative Methods of Ground Cover and Nutrition Management for Organic Orchards. Presented at the 3rd International Congress on Organic Temperate Fruit Production. Gautemoc, Mexico.
- Rom, C. R. 2010. The Challenges and Opportunities for Organic Tree Fruit Production. Presented at the 3rd International Congress on Organic Temperate Fruit Production. Gautemoc, Mexico. Keynote address
- Rom, C.R. 2008. The Out-of-Class Experience: The Teaching-Learning Experience Through Co-Curricular Activities. Do they Support the Mission or Dilute the Focus? HortSci. 43(4): 1036
- Rom, C.R. 2008. Innovations for Small Scale Fruit Production in 2040 - Academic and Research Perspectives. Presented at the American Society for Horticultural Science Annual Meeting, Pomology Working Group Workshop, APomology in the Year 2040"; HortSci. 43(4): 1064.
- Rom, C.R. 2008. Internships: Preparing university horticulture students for science-related careers - programs, opportunities, challenges. Presented at the American Society for Horticultural Science, Symposium on Careers and Internships in Science and Crop

Production with Private Companies and Horticulture Industry. HortSci. 43(4): 1022.

- Rom, C.R. and H. Friedrich. 2006. Organic Apple Production in the Southern Region: Is it a lost cause? Presented to the ASHS Colloquium, *Creating a Healthy and Sustainable Orchard Environment*, New Orleans, LA. USA.
- Rom, C.R. 2006. Organic Fruit Production: Challenges and Opportunities for Research and Outreach. Presented to the ISHS First International Organic Apple Symposium, Nova Scotia, CAN.
- Rom, C.R. and H.F. Friedrich. 2005. The Southern Outlook for Organic Apples. Presented to the Third National Organic Fruit Symposium, Chelan, WA.
- Rom, C.R. 2003. A Need for More Science Based Research and Education. Presented to the Second National Organic Fruit Symposium, Grand Junction, CO.
- Rom, C.R. 2002. Horticulture Education for the 21st Century. Presented at the Knowledge Symposium of the ISHS, IHC.
- Rom, C.R. 1991. Light thresholds for apple tree canopy growth and development. Presented to the ASHS Colloquium, *The Orchard Environment and Tree Physiology*.

Invitations to Present Seminars at Academic Institutions

- Rom, C.R. 2010. Fruit Production in the US; The Current Status and Future. Presented to the College of Horticulture and Landscapes, Beijing Forestry University. China
- Rom, C.R. 2010. Fruit Production and Higher Education in the US. Presented to the College of Horticulture and Forestry, Huazhong Agricultural University. China.
- Rom, C.R. 2009. The Status and Future of the North American Tree Fruit Industries. Keynote speaker at International Forum for North American Agriculture. Sponsored by College of Agriculture and Natural Resources, University of Chihuahua, Chihuahua, Mexico.
- Rom, C.R. 2008. Horticulture Graduate Research Opportunities and the Potential for Inter-Institutional Cooperation and Collaboration. Department of Horticulture, University of Chihuahua, Chihuahua, Mexico.
- Rom, C.R. 2006. Dodos and Dinosaur Eggs: What will happen to the horticultural education in the 21st Century? Presented to Texas A&M University, Department of Horticulture and Graduate Program in Plant Sciences.

Proprietary/Confidential Reports

- Rom, C.R. 2010. Extended cropping of organic blackberries and raspberries using high tunnel technologies. Organic Farm Research Foundation.
- Rom, C.R. 2003. Alternative Fruit Thinning Strategies; report of research findings 2003. Report to the Washington Tree Fruit Research Commission. 5 pages.
- Rom, C.R. 2002. Alternative Fruit Thinning Strategies; report of research findings 2003. Report to the Washington Tree Fruit Research Commission. 4 pages.
